---

My skillset encompasses automation testing, from test strategy formulation to test case design and execution. Proficient in utilizing automation tools and languages such as Selenium, Python, and customized frameworks, I have consistently contributed to improving software quality, reducing manual efforts, and accelerating release cycles.

## WORK EXPERIENCE

---

### Software Test Automation Engineer

08/ 2022 to Present  
Meezan Bank Limited  
Karachi, Pakistan

- Led the automation efforts for the T24 banking software modules, automating Accounts, Customer, Fund Transfer, Cheque book, Teller, User functionalities etc.
- Developed and executed automated test scripts using Selenium Python to validate critical application features.
- Designed and maintained a customized automation framework for seamless test execution and reporting.
- Implemented Page Object Model (POM) design pattern to enhance test script maintainability and reusability.

#### Achievement:

Successful implementation of automation testing on the T24 modules within our organization, specifically focusing on modules such as Account, Customer, Fund Transfer, User, ATM, and Checkbook. The proposed approach leverages Python programming to streamline processes, enhance efficiency, and reduce manual intervention.

## **SQA Engineer**

11/ 2021 to 04/ 2022

Digital Melons Agency  
Karachi, Pakistan

- Play a crucial role in identifying and preventing defects, verifying software functionality, and ensuring that software meets the required standards and specifications.
- Conduct regression testing to ensure that new features or changes do not negatively impact existing functionality.
- Create detailed test plans, test cases, and test scripts for both manual and automated testing.
- Provide training and guidance to other team members on testing practices, tools, and techniques.

## **Quality Assurance Executive**

05/ 2021 to 10/ 2021

Nyxt Digital  
Karachi, Pakistan

- Execute test cases (manual or automated) and analyze results. (Web, Android, IOS)
- Report bugs and errors to development teams.
- Managing project's progress and adapting work as required. (Project Management)
- Work with cross-functional teams to ensure quality throughout the software development life cycle.
- Preparing and implementing quality assurance policies and procedures.
- Performing routine inspections and quality tests.
- Identifying and resolving workflow and production issues.
- Addressing and discussing issues and proposed solutions with superiors.

## **SQA Intern**

12/ 2020 to 03/ 2021

M3 Technologies (ASIA) Berhad, Karachi  
Karachi, Pakistan

- Collaborated with SQA Engineers to understand project requirements and testing objectives.
- Assisted in developing and executing test plans, test cases, and test scripts to ensure software functionality met specifications.
- Conducted manual testing of software applications, identifying and documenting defects and inconsistencies.
- Participated in the execution of automated test scripts using testing frameworks and tools.

## EDUCATION

---

### Bachelor of Science in Software Engineering

Sir Syed University of Engineering & Technology (SSUET) [05/ 2017 to 03/ 2021]  
Karachi, Pakistan

### Higher Secondary School Certificate / Intermediate

Govt College Formen Nazimabad [11/ 2014 to 09/ 2016]  
Karachi, Pakistan

### Secondary School Certificate / Matriculation

Dawn Public School [04/ 2012 to 07/ 2014]  
Karachi, Pakistan

## SKILLS

---

- Temenos T24 Testing
- Selenium
- API Testing
- Performance Testing
- Customized Framework
- Test Automation
- Python
- C Language
- Javascript
- Functional Testing
- Non Functional Testing
- Manual Testing
- SQL
- Jira
- BDD Framework
- TDD Framework
- Postman
- Jmeter

## CERTIFICATIONS & AWARDS

---

### Best Student

Sir Syed University of Engineering & Technology - CEP [03 / 2023]  
Awarded as the best student in Software Automation Testing Course

### Software Automation Testing Course

Sir Syed University of Engineering & Technology [10/ 2022 to 02/ 2023]

### Programming Essentials in Python Course

Cisco Networking Academy [03/ 2020]
